

## The August 2020 HPG Meeting Goals

### The HPG will share updates on HIV prevention and care and HGP business.

What we're doing	Why we're doing it	When?
All HPG members were invited to submit announcements related to updates on news, trainings, and events across the commonwealth	So that the HPG, DOH, and HPCP can utilize and disseminate the information to larger stakeholder communities across PA.	Both days!
The HPG will receive an update on the work offered by the HPG Protocols workgroup	To maintain transparency with our HPG processes and update them for this unprecedented time. The HPG will have the opportunity to vote on this suggested changes.	Day 1

### The HPG will review advisory opportunities

What we're doing	Why we're doing it	When?
The HPG will review the process for the Clinical Quality Management Plan	To fulfill the advisory role of the HPG and provide meaningful, impactful feedback to the DOH about developing a CQM Plan for PA and improving clinical quality	Day 1
The HPG will review and discuss future opportunities for advancing the needs and experiences of PLWH and at-risk stakeholders related to the ongoing COVID-19 pandemic	to advise and assist the DOH and HPCP in these ongoing opportunities to hear from from and assist stakeholders	Day 1
The group will hear from AIDS Free Pittsburgh	to discuss the current state of—and further ideas for—furthering PrEP access for Minors in PA	Day 2

### The HPG will discuss Priority Setting data presentations.

What we're doing	Why we're doing it	When?
The HPG will propose discussion and questions around the currently available Priority Setting presentations	Priority Setting is a large, critical, and federally mandated process we need to prepare for incrementally. These presentations will build a foundation for informed and responsible decision making in November 2020 when the HPG sets Ryan White priorities for the state of Pennsylvania and next IHPCP.	Day 2

**The HPG will continue to monitor and improve the Integrated HIV Prevention and Care Plan through subcommittee work.**

<b>What we're doing</b>	<b>Why we're doing it</b>	<b>When?</b>
The assessment subcommittee will renew their discussion of intersectional issues for 2020, including stigma, COVID-19, and employment	to determine/pursue issues to prioritize for the remainder of the year	Day 1
The evaluation subcommittee will continue monitoring the progress being made in the state for HIV-related activities in the Plan.	This watchdog activity ensures that activities impacting communities and services around the state are continuing and advancing appropriately while also capturing any changes to current activities that need to be included in the next Plan.	Day 1
